**Review the statements you have just made. Make the following decisions.**

---

**1. Write the numbers of the six most important statements:**

**2. From these six statements choose the four most important:**

**3. From these four choose the two most important:**

**4. From these two choose the most important one:**

---

**Your final choice usually tells you what it is you really want from work that you're not getting now! Since this is obviously important to you - what are you going to do to make it happen? Use the next page to write down your goal and how you're going to achieve it.**

## ***Goal Planning***

My motivational goal

I will achieve this by .... (when will you achieve your goal?)

I will achieve this by doing these things ... (write down here all the things you will need to take to achieve this goal)

I will discuss this with and/or involve ... (who can help you? Provide resources? Provide support? Whose backing do you need?)

**GOOD LUCK!**
